	QRS-01 Quality Requirements For Suppliers

CONTENTS

1 SCOPE 4

2 ACRONYMS AND DEFINITIONS..... 4

3 MEANS OF UNDERSTANDING 4

4 INSTRUCTION..... 4

1 Scope

Based on the nature of the article to be supplier to AgustaWestland, the associated document QRS01A shall apply

2 Acronyms and Definitions

N/A

3 Means of understanding

The use of **shall**, **should**, **must**, **will** and **may** within this document *shall* observe the following rules:

- the word **shall** in the text denotes a mandatory requirement: deviations from such a requirement is not permissible without formal agreement,
- the word **should** in the text denotes a recommendation or advice on implementing such a requirement of the document; such recommendations or advice is expected to be followed unless good reasons are stated for not doing so,
- the word **must** in the text is used for legislative or regulatory requirements and *shall* be complied with,
- the word **will** in the text denotes a provision or service or an intention in connection with a requirement contained in this document,
- the word **may** in the text denotes a permissible practice or action; it does not express a requirement contained in this document.
